

Sample Company Policy Document for BizKnow AI Demo

1. Leave Policy

Employees can apply for casual leave, sick leave, or earned leave through the HR portal. Leave requests must be submitted at least two working days before the planned leave date. Emergency sick leave can be submitted on the same day with valid reason. Managers review leave requests and approve or reject them within two working days.

2. Refund Policy

Customers can request a refund within thirty days of purchase. Refunds are processed only if the product or service issue is verified by the support team. Enterprise customers require approval from the finance team before refund processing. Refund amount will be credited within seven working days after approval.

3. Support Ticket Policy

Users can raise support tickets through the helpdesk portal. High priority tickets must be resolved within twenty four hours. Medium priority tickets must be resolved within three working days. Low priority tickets may take up to five working days.

4. Password Security Policy

Employees must use strong passwords with at least eight characters, including uppercase letters, lowercase letters, numbers, and symbols. Passwords must not be shared with anyone. Employees should change passwords every ninety days.

5. Work From Home Policy

Employees may request work from home with manager approval. The request must include the date, reason, and task plan. Employees working remotely must be available during official working hours and attend scheduled meetings.

6. Data Privacy Policy

Company documents, customer information, and internal reports are confidential. Employees must not share business documents outside the organization without written approval. Sensitive files must be stored only in approved company systems.
